

Social Tennis Etiquette

Tuesday - all courts 6-8pm; courts 3-6 6-10pm; Saturdays – all courts 2-5pm.

If 4 or more courts in use first to 5 games, else first to 6 games; sudden death deuce.

The below etiquette will make social sessions fairer and more enjoyable to all; and will apply whenever there are 2 or more courts in play.

- ✓ 1 Collect balls and return to clubhouse after each match to ensure mixing in
- ✓ 2 Wherever possible at least 2 of you must change partners each match
- ✓ 3 If necessary, wait a few minutes for another group to complete their match
- ✓ 4 If there is a surfeit of either ladies or men then same sex 4 perfectly acceptable
- ✓ 5 If you stay out of your turn (see below), you go to the back of the queue
- ✓ 6 Occasionally a player may feel the group is too strong for them; only in that case are they permitted to wait out and go on with the next group
- ✓ 7 Last match on courts 1-4 at end of social session sweeps court

The below behavior is seen as anti-social and is frowned upon; please respect our “fairer for all” etiquette and make social sessions inclusive and enjoyable.

- ✗ 1 Do not manipulate your availability, eg: tea-break, rest - social is about being randomly paired
