

Covid-19 Toilet Hygiene Precautions

To minimise the risk of transmission of Covid-19 please :

- Only use the disabled toilet, this is why the changing rooms are taped off.
- Use the sanitising wipes provided to clean the seat.
- Wash hands using the handwash provided over the sink.
- Dry hands using the paper towels provided, the hot air drier has been disabled to avoid blowing spray around.
- Follow the displayed instructions for disposal of paper towels and wipes.
- Sanitise your hands using the gel provided in the toilet.
- The toilet will be professionally cleaned twice a day, 7 days a week. A confirmatory schedule is displayed inside the door.
