

## Covid-19 guidelines for use of the bar

- Entrance to the clubhouse is to be via the main door, using your fob to enter as the door will be shut.
- Please sanitise your hands using sanitising station on the wall in the lobby.
- Only two persons are allowed to queue in Bar lounge – One at order end of bar and the other at the payment end – the flow is to be clockwise round the bar lounge and into the clubroom or to the outside via the patio doors. **No entry signs are placed on the outside of the patio doors to ensure that there is no counter flow.**
- The overflow queue for the bar is to form on the right-hand side of the entrance lobby – with 2 metre gaps to comply with social distancing. The queue to enter bar lounge is to consist of only two persons at any one time to allow toilet users unhindered access to the corridor. If all internal queuing positions are taken, the queue extension is to be outside clubhouse. There is strictly no entry from the patio.
- If in a party, **one** member should queue to place the order and pay, whilst the other members of the party turn left and follow the one-way system into the clubroom, and select a table or pass through to the outside seating.
- Drinks are to be ordered from court end of the bar, and collected and paid for from TV end of the bar, trays will be provided on which to carry the drinks. All names in a party, must be recorded for Test and Trace purposes, together with contact details.
- A contactless payment system is now set up, and is the preferred payment method.
- During bar opening hours (17.30/18.00 hours – 21.30/22.00 hours), members, entering to use toilets only, from the courts are to keep to left and follow the one-way system and to use changing room toilets – on exit turn left and follow the designated one way system into the clubroom and exit via the patio doors.
- Members using the clubroom wishing to use the toilets or order a second round of drinks must leave the clubroom by the patio doors and re-enter the clubhouse by the main door following the external one way system (i.e. exit to the car park by court 2 and re-enter the clubhouse at the main door).
- Bar staff to use the disabled toilet.
- Only two people in the Ladies' and Men' toilets at a time – a vacant/in use sign is fixed to each changing room door to show whether they are in use – a queue is to form in corridor against left hand wall, if the toilets are occupied.
- There will be no access to the corridors from the bar lounge.

- Tables and chairs as set out are not to be moved – the maximum capacity for club room 24; Bar lounge 5; Benches on lawn 8; Picnic tables 8.
- On vacating your table please leave any empty glasses on your tray, as they will act as a signal for the bar staff to sanitize the tables before further customers can use the table. If purchasing a second round please take your tray to the bar but leave your empty glasses on the table for collection.
- On leaving the clubhouse please remember to sanitise your hands at the exit station.
- The kitchen facilities and changing/showering facilities are **strictly** out of bounds,
