Floodlights on Tennis courts 1 to 6

The floodlights on tennis courts 1 to 6 are now live and can be purchased through your computer or mobile phone.

The link to the training video that demonstrates how to purchase floodlights is https://youtu.be/-pTRNyKd_ow

Please note that:

- You can purchase floodlight in advance of the start of your booking from your computer / smart phone or at any time during the booking from your smart phone when you are on court
- You do not have to buy 45 or 90 minutes – you buy 10 minutes initially and in 5 minute increments thereafter
- You cannot cancel floodlights once they have been purchased so please make sure that you are sure about the weather before you buy
- The floodlight payment triggers electricity to be sent to the floodlights – you will have to allow for any warm-up time
- You will need credit in your account to purchase floodlights (training video to add funds to your account is at <https://youtu.be/8itHScE7Oes>)
- One member can buy all the floodlights and other players can settle up. Or each player can purchase a number of minutes during the booking

Cancelling a court

With the advent of the rain, tennis members need to cancel their bookings.

Please remember that only the person who booked the court can cancel that booking.

Failure to cancel will result in a no show.

Fobs to be collected

We still have around 90 fobs that need to be collected. Please make an appointment with Sally-Ann (01564 400113 or admin@kdrc.info) to collect your fob.

Many thanks
